Dear Julia & Adam

Ref; HORSE BOXES

Just a note to thank you both for the Deals and Service we have received from you both over the many years that we have known you. When we first came to you we had decided we required to upgrade from a Trailer to a Horse Box, which we could travel the country in to show our ponies at the County Shows

As a result we bought a 7.5 ton Box built to our own (under your guidance) design. This box gave us many years of good service and we had considerable success winning many Championships, But time has gone on so quickly, we decided for many reasons, to cut back on showing, and to stop staying overnight at shows.

Again we called at your door and Adam advised us about a 3.5ton Marlborough box that he thought would suit us, and offered to take our 7.5 box to sell on behalf of us. This we decided to do.

I am pleased to say that we are very pleased with the box, it is everything that Adam said it was, and you Julia sold our 7.5 box for us.

We could not have had better deal and service from you both and appreciate this, which is so important in today's trading.

Wishing you both well in your endeavours.

Yours Sincerely.

Bob Blackburn.
